2006 WC/ASFMRA Fall Meeting

The Wisconsin Chapter of the ASFMRA invites you to attend its Annual Fall Meeting. All members are encouraged to bring guests. First-time guests may attend at the member rate.

With five ethanol plants already built in our state and two more in process, Wisconsin corn and soybean commodities will have new market outlets. The morning program will focus on the impact of these new and emerging bioenergy technologies on agricultural and rural economies.

The afternoon program is devoted to rural appraisal topics of interest to managers, lenders and consultants. Learn more about internet data and mapping resources. Also learn how other states and municipalities are dealing with ways to preserve farmland and open space. You won't be disappointed.

ASFMRA continuing education credits have been requested for this program.

What is the Wisconsin Chapter?

The Wisconsin Chapter was formed in 1965 and is affiliated with the American Society of Farm Managers and Rural Appraisers, a national organization with more than 2,400 members. The Wisconsin Chapter is a not-for-profit organization. The purpose of the Chapter is to develop, improve, promote and advance, without profit to itself, the professions of farm management and rural appraisal.
